

The image shows a musical score on a white strip of paper, laid out horizontally. It consists of four measures, each with a musical staff and a corresponding piano keyboard diagram below it. The piano keyboard diagram is a 4x8 grid where the columns represent keys and the rows represent different levels of the keyboard. Colored buttons (blue, yellow, red, black) are placed on the grid to indicate fingerings for the notes in the staff above. A black dot is placed on the top line of each staff, likely representing a clef or a specific note.
